Table D			
Program Implementation Status pursuant to GC Section 65583			
Housing Programs Progress Report			
Describe progress of all programs including local efforts to remove governmental constraints to the maintenance, improvement, and development of housing as identified in the housing element.			
1	2	3	4
Name of Program	Objective	Timeframe in H.E	Status of Program Implementation
H.A Develop program guidelines to establish a Foreclosed Home Reactivation Program	Financial assistance to return foreclosed homes to purchase and rehabilitate foreclosed homes as affordable housing	2010	Completed
H.B Develop program guidelines to establish a Tenant Based Rental Assistance (TBRA) Program	Program to help rent payments for lower income households so cost does not exceed 30% of the household income.	July 2010	Ongoing program. Former Redevelopment Agency allocated \$50,000 per year for tenant based senior rental assistance for ten years until December of 2019.

<p>H.C Implement impact fees and planning fees that encourage the construction of affordable housing. Lower connection fees for multi-family units</p>	<p>Remove governmental constraint to affordable housing</p>	<p>Ongoing</p>	<p>Tiered impact fees have been adopted that are lower for multi-family residential units and secondary units. The City of Hollister works with developers who provide special needs housing such as senior housing and has reduced impacts fees to 1/3 of the fee making a finding that the senior development would only occupy less than half of the household average.</p> <p>The City of Hollister meets with developers and encourages developers to work with agencies that Develop special needs/affordable housing such as Community Housing Improvement Systems and Planning Association, Inc. (CHISPA), Community Services Development Corporation (CSDC) and others to partner and provide affordable housing.</p> <p>The City of Hollister has a density bonus section in the Hollister Municipal Code under Section 17.04. In accordance with Sections 65915, 65915.5 and 65917 of the California Government Code, the purpose of this Article is to provide density bonuses, incentives, or concessions for the production of housing for extremely low, very-low, lower, and moderate-income households, and senior households. In enacting this Article, it is also the intent of the City to implement the goals, objectives, and policies of the City's General Plan Housing Element and to establish a City density bonus for the provision of affordable senior housing. The Density Bonus Section of the Hollister Municipal Code is attached to this document in its entirety as Appendix K.</p> <p>Additional incentives in the Hollister Municipal Code include per note number 7 of Table 17.04-2 Residential Lot Size, Lot Area, Density and Open Space Requirements by District of Section 17.04.030 Residential General Development Standards of the Hollister Municipal Code the Planning Commission may waive the minimum density requirement for a development proposal with 100% multifamily affordable housing in the R4, R4-20, and OT-H Zoning Districts where it is demonstrated that the minimum density standard poses a constraint to the viability of the development. The manager's unit may be excluded from the affordability requirement. A conditional use permit shall be required for approval of the waiver.</p>
<p>H.D Amend standards for Homeless Shelters and Transitional Housing to comply with SB2</p>	<p>Amend zoning ordinance to comply with state law</p>	<p>August 2010</p>	<p>Completed – Ordinance 1056 Adopted December 2009. Per SB2 Government Code Section 65583 At least one zone shall be identified to permit emergency shelters without a conditional use permit or other discretionary action: Per Section 17.22.120 of the Hollister Municipal Code Small Temporary Residential Shelters (STRS) or Large Temporary Residential Shelter (LTRS). These uses are permitted by right in the North Gateway (NG) Zoning District. Appendix C indicates potential sites in the City of Hollister.</p> <p>On June 22, 2016, the City of Hollister worked with the applicant San Benito County for the approval of a Conditional Use Permit to perform tenant improvements to an existing 12,800 sq. ft. building on a 22,500 sq. ft. lot and utilize it as a homeless shelter for both men and women to provide meals as well as housing, and employment services.</p>

H.D cont.	H.D cont.	H.D cont.	All proposed development in the residential zoning districts is subject to a discretionary review by the city and required entitlements by the City of Hollister Planning Commission whether through a site and architectural review process, a conditional use permit or both to ensure that all buildings meet the general development standards in Section 17.04 of the Hollister Municipal Code and transitional housing, and supportive housing, are subject to the same restrictions as other residential uses and not treated differently in order to promote unified and distinct development and for the orderly development and good quality of life to the residents and to meet the city's residential general development standards. The residential standards include but are not limited to open space, parking, the mitigation of any effect of the layout of the development on traffic conditions and patterns on surrounding streets and for compliance with requirements for a Circulation Plan in Section 17.18.030 and supplemental standards in the applicable zoning district for; the layout of the site with respect to locations and dimensions of vehicular pedestrian entrances, exits, drives and walkways; the adequacy of off-street parking facilities to prevent congestion; the location, arrangement and dimensions of loading and unloading facilities; the circulation pattern within the boundaries of the development, the surfacing and lighting of off-street parking facilities.
H.E Amend zoning ordinance standards for second units and small lots in the Measure Y exemption area H.E cont.	Remove governmental constraints to infill housing with more flexible standards H.E cont.	August 2010 H.E cont.	Completed – Ordinance 1056 Adopted December 2009 On March 23, 2017 the planning commission approved a resolution recommending to the city council adoption of an ordinance to allow for accessory secondary units in the city per Senate Bill 1069. The Council approved the Ordinance in May 2017.
H.F Lot Consolidation program to add incentives the Growth Management program 1)reserve 50 units for lot consolidation for 2011-2012 allocations 2) re-allocate unused lots to lot consolidation; 3) RDA to offer below market rate funding in Measure Y exemption area for affordable projects with lot consolidation or re-use of the upper floors Maintain inventory of sites, expedite project plan review	Incentive for lot consolidation with growth management and re-use of the upper floors downtown. H.F cont.	June 2010 Ongoing	Measure U with Ordinance 979 came to an end in 2012. The City of Hollister is considering a growth management program for 2019. However, H.F was part of the Measure U growth management allocation point system. In the event housing allocations were re-allocated, lot consolidation projects in a multi-family or mixed use zoning was one of the highest priorities. The State of California adopted AB1X26 and clean up legislation AB 1484 that abolished all RDA's on February 1, 2012. Current – HE Appendix H

<p>H.G Establish partnerships with the community with neighborhood associations, conduct annual housing forums and Intergovernmental Committee</p>	<p>Encourage public participation from all economic segments</p>	<p>Ongoing</p>	<p>Ongoing participation with Intergovernmental Committee and cooperation between county and city's housing programs. The Intergovernmental Committee is made up of members of the County Board of Supervisors as well as City of Hollister and City of San Juan Bautista councilmembers and school district representatives meet at least once per month to discuss topics related to housing, infrastructure, schools, circulation, public health and safety, amongst others. The City of Hollister has provided services such as water and sewer outside of its jurisdictional boundaries to proposed low income development. On July 21, 2014 the City of Hollister City Council approved Resolution No. 2014-148 approving a memorandum of understanding between the City and CHISPA for the City to provide extended services outside of its jurisdictional boundaries to approximately 4.71 acres of land identified by apn 019-400-001 through 019-400-014 for the development of 13 single family residential affordable housing units and 41 affordable apartments with the requirement that the property gets annexed into the City of Hollister prior to the issuance of certificate of occupancy of the first residential unit. The project is currently under construction. In 2016 the property was annexed into the City of Hollister. The 41 apartments have since been built and were occupied in 2018.</p>
<p>H.H Stimulate re-use and infill Downtown 1. Amend zoning ordinance standards for guest parking, minimum lot size 2. Parking Reduction in Measure Y area 3. Maintain inventory of potential re-use sites</p>	<p>H.H cont. Reduce parking constraints and provide more flexible development standards for infill areas downtown H.H cont. H.H cont.</p>	<p>H.H cont. January 2010 January 2010 Ongoing</p>	<p>H.H cont. 1. Completed – Ordinance 1056 Adopted December 2009 2. After the construction of 100 units in the Measure Y downtown area the City of Hollister shall review the need for a parking district, review the effectiveness of the parking enforcement procedures 3. Current - HE Appendix G</p>
<p>H.I Amend zoning ordinance to stimulate development in Measure Y area</p>	<p>Provide more flexible development standards for infill in the Measure Y area</p>	<p>2010</p>	<p>Completed – Ordinance 1056 Adopted December 2009 - will continue to review and adjust as necessary</p>
<p>H.J Site and Architectural Review process – 1. Two meetings with non-profit housing developers to review constraints for residential developments</p>	<p>Remove constraints to provision of affordable housing from development review process H.J cont.</p>	<p>December 2010 H.J cont.</p>	<p>Ongoing. Met with local affordable housing developers to review application constrains. The City's application for new development and conditional use permits were adjusted so it could be easier to follow. Efforts to address affordable housing constraints will continue in 2021. H.J cont.</p>
<p>H. K Partner with water purveyors to continue to provide for future water system capacity</p>	<p>Ensure water supply for housing development</p>	<p>Ongoing</p>	<p>Continued City interagency participation in Governance Committee for planning and developing programs for long term water supply and quality. There is enough capacity to meet the RHNA for lower income households for water and sewer in the City of Hollister. In general, water quality is regulated by the State Water Resources Control Board through the National Pollutant Discharge Elimination System (NPDES) program.</p>

H.K cont.	H.K cont.	H.K cont.	<p>The goal of the program is to control and reduce pollutants to water bodies from point and non-point discharges for both long-term project activities and construction activities. The Central Coast Regional Water Quality Control Board (regional board) issues and enforces NPDES permits for discharges to water bodies in the portion of Monterey County that drains to the Monterey Bay. Storm water from the city drains into the San Benito River and the Pajaro River, which eventually empties into the Monterey Bay. As identified in the city's general plan EIR, groundwater is used in conjunction with surface water to meet water demands within the Gilroy-Hollister underwater Basin (page 4.10-8). "Conjunctive use" of groundwater and surface water can result in a combined yield that is greater than the sum of the separate yields of the surface water and groundwater components. This is achieved by using stored groundwater to supply most of the demand during droughts, when surface water deliveries are curtailed. During wet periods, surface water is used to meet most of the demand, and groundwater storage is allowed to recover.</p>
H.K cont.	H.K cont.	H.K cont.	<p><u>Waste Discharge Requirements.</u> The City of Hollister Domestic Wastewater Plant has a design capacity of over 5.0 million gallons per day, which will provide sufficient capacity for anticipated flows through the year 2023, according to the city's Long-Term Wastewater Management Program (City of Hollister 2005) and the 2008 Urban Area Water and Wastewater Master Plan (City of Hollister 2008). Currently, the domestic wastewater plant processes less than 3 million gallons per day which means that there is enough capacity to meet the RHNA for lower income households for sewer. Wastewater facilities and treatment are provided by the City of Hollister. The city operates two wastewater treatment and disposal facilities. The Domestic Wastewater Treatment Plant is located west of downtown on both sides of the Highway 156 bypass near the San Benito River.</p> <p>The Industrial Wastewater Treatment Facility is located west of downtown Hollister at the west end of South Street and on the north side of the San Benito River, less than one mile east of the Domestic Wastewater Treatment Plant. Treated wastewater from both facilities is disposed of by percolation, which contributes to localized areas of high groundwater in the Hollister West sub-basin. Wastewater generated from future residential development will be collected and conveyed to the City of Hollister Domestic Wastewater Treatment Plant for treatment and disposal. The city's wastewater treatment plant utilizes immersed member bioreactor technology to produce effluent that meets state Title 22 requirements for tertiary recycled water.</p>

Collaboration is ongoing.

H.T Prepare a study to assess need for growth management program in relation to unmet needs for housing, prices and to assure unmet regional housing new construction needs are met.	H.T cont.	2011	The Council approved a new growth management program for 2020 that would exempt affordable housing, multifamily residential units, special needs housing, and secondary units per SB 1069 amongst others, from requiring residential allocations. However, due to SB330 also known as the "Housing Crisis Act," the growth management ordinance cannot be implemented.
H.U Evaluate need for an inclusionary housing program concurrent with expiration of Measure U in 2012	H.T cont.	December 2012	At its regular meeting of Monday February 3, 2020, the City Council of the City of Hollister adopted Resolution No. 2020-17, a resolution of the City Council of the City of Hollister awarding a contract to PlaceWorks, Inc. for the preparation of a General Plan Update and Environmental Review for the City of Hollister. Section 4.1 of the scope of work for the City of Hollister update of the general plan indicates that "PlaceWorks Inc. will develop several alternatives for inclusionary housing policies and policies that might require a percentage of rental residential units within each residential project or subdivision." Place Works, Inc. will prepare a public involvement strategy which will describe outreach goals, identify ways to engage underrepresented groups in the community including preparing materials and conducting meetings in English and Spanish, define public input "channels" such as workshops, pop-up events, provide presentations to community groups, and online engagement by which to gather community opinions.
H.V Protect "at -risk" units	Assist in maintaining use of rehabilitation loan program and H.Y. Protect "as risk' units.	H.V cont.	City of Hollister implemented Housing programs H.V and H.Y. by entering into a loan agreement with Eden Housing to assist with rehabilitation of the 54 unit Rancho Park apartments and 19 unit Rustic Gardens affordable housing developments. Resolution 2015-108 approved a modified loan agreement to assist with rehabilitation and preservation of the affordability of the units (another 55 years). An additional \$117,000 was lent to assist with the rehabilitation from the Housing Successor Low Moderate Income Housing Asset Fund. The modified loan agreement was recorded in February 2016.
H.W Annex 75 acres of lands in Sphere of Influence for residential district by 2012	Assure sufficient residential sites available for future housing element	2012	Ongoing. In 2017 there were 62.28 acres of land annexed into the R3 Medium Density Residential Zoning District as follows:
H.W cont.	H.W cont.	H.W cont.	(CHISPA) – 4.7 acres of land for medium density residential north of Buena Vista Road. 41 Affordable apartments were built in 2017 and 13 affordable single family homes are currently under construction.

H.PP Annual review of growth allocation procedures	H.PP cont.	H.PP cont.	<p>The City of Hollister had in place a Growth Management Ordinance known as Measure U per Section 16.64 <i>Growth Management Program</i> of the Hollister Municipal Code which allowed up to 244 residential dwelling units per year. Measure U expired in 2012. The land use priority for the 244 residential dwelling units included 190 dwelling units in the medium, high, or mixed use high density districts, 50 in the low density residential zoning districts and 4 for small projects. At least 35 of the 244 residential dwelling units needed to be for affordable housing. Second units were exempt from the growth management program per Section 16.64.030 <i>Exemptions</i> of the Hollister Municipal Code. The application for residential allocations under the growth management program was a point system and the highest number of points was given to proposed developments that provided affordable housing. Developers were encourage to provide affordable housing since as part of the application process for the growth management allocations developers had a greater chance of obtaining the residential allocations if they provided affordable housing. The growth management applications had the following questions that provided the highest points:</p> <p><i>1. In order to assist the city in meeting its RHNA requirements, does the project provide residential units affordable to extremely-low income households? 2. In order to assist the city in meeting its RHNA requirements, does the project provide residential units affordable to very low income households? 3. In order to assist the city in meeting its RHNA requirements, does the project provide residential units affordable to low income households? 4. In order to assist the city in meeting its RHNA requirements, does the project provide residential units affordable to moderate income households? 5. Is a low-income housing company, agency, or non-profit included in the project team in order to ensure the construction and occupancy of residential units identified as affordable? The City of Hollister adopted a growth management program in 2019 which limits residential allocations to 159 market rate single family homes per year and exempts affordable housing, special needs housing, rental housing amongst others. However, due to SB330 also known as the "Housing Crisis Act," the growth management ordinance cannot be implemented.</i></p>
