RESOLUTION NO. 2014-48

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF HOLLISTER APPROVING THE CITY'S ANNUAL 2013 GENERAL PLAN PROGRESS REPORT

WHEREAS, Government Code Section 65400 mandates that the City of Hollister submit an Annual Progress Report on the status of the General Plan and its implementation to the Governor's Office of Planning and Research by April 1st of each year; and

WHEREAS, the California Department of Housing and Community Development requires the City of Hollister to report on progress in meeting its share of regional housing needs and the status of Hollister's compliance with deadlines in the 2009-2014 Housing Element at a public hearing where members of the public may provide oral testimony or submit written comments as part of the Annual General Plan Progress Report; and

WHEREAS, the guidelines from the Governor's Office and Planning and Research and forms from the California Department of Housing and Community Development were used to prepare the report; and

WHEREAS, the City of Hollister has prepared the Annual 2013 General Plan Progress Report dated March 17, 2014; and

WHEREAS, the Annual Progress Report has been reviewed by the City Council at a public meeting and accepted at a regular City Council meeting; and

THEREFORE BE IT RESOLVED, by the City Council of the City of Hollister, that the City Council has reviewed and accepted the City of Hollister Annual 2013 General Plan Progress Report at the March17th City Council meeting.

PASSED AND ADOPTED, this 17th day of March 2014, by the following vote:

AYES:	Council Members	Valdivia,	Friend,	Scattini,	Gomez,	and Mayo	or Velazquez

1. Date of Acceptance of City of Hollister Annual 2013 General Plan Progress Report by the City of Hollister City Council

The City of Hollister Annual 2013 General Plan Progress report was reviewed and accepted by the City Council at the regular City Council meeting of March 17, 2014.

2. MEASURES ASSOCIATED WITH IMPLEMENTATION OF GENERAL PLAN ELEMENTS

LAND USE AND COMMUNITY DESIGN ELEMENT		Implementation Status
Zoning Ordinance (1-2 Years)		
LU.A	Develop signage ordinance (Planning)	Sign ordinance was completed in 2008 with the approval of Ordinance 1038. Ongoing implementation.
LU.C	Revise zoning regulations (Planning/Engineering)	Zoning review standards were adopted in 2008 with Ordinance 1038. Ordinance 1083 was adopted in June 2012 providing minor
LU.J	Develop guidelines for the preparation of lighting plans	clarifications, corrections and amendments to the zoning ordinance to assure internal consistency within the municipal code for residential setbacks, lot size, and fence heights, minor change to commercial and mixed use zone uses and permit requirements, requirement for all secondary residential units to have their own meter for services, minor changes to chapter 15.22.050 Water Efficient Landscape. Section 17.16.090 of Ordinance 1038 provides design guidelines for the preparation of lighting plans consistent with Implementation Measure LU.J of the 2005 Hollister General Plan
LU.B	Investigate inclusionary housing programs (Housing)	Measure U Growth Management: In December 2012 the City Council approved Resolution No. 2012- 171 approving the final map and subdivision improvement agreement for the Hillview II subdivision for 30 single family self-help affordable residential

LU.E Initiate a process to amend the AMBAG forecasts	units. Building permits were issued in 2013 and the project is currently under construction. Final occupancy is anticipated in 2014. Completed in 2006
LAND USE AND COMMUNITY DESIGN ELEMENT	Implementation Status
LU.F Conduct outreach and education for sustainable building and green product types	 Title 24 of the California Code of Regulations includes Part 11 California Green Building Standards Code. Collaborate with the building department to streamline applications for photovoltaic permits. Collaborate with applicants of affordable housing projects to promote available state programs for placement of photovoltaic solar panels.
LU.G Develop and adopt design review guidelines in the zoning code for gateway districts, special planning areas, streetscape, circulation and site planning.	On August 19, 2014, The City of Hollister City Council adopted Resolution No. 2013-123, a resolution adopting the west gateway streetscape beautification plan. It was anticipated that funds from a 2009 bond would have been used to begin the initial phase of streetscape beautification improvements in the West Gateway. The dissolution of the Redevelopment Agencies prohibited the use of the bond. It is anticipated that by 2014 the bond money would be available. The environmental document was prepared and in May 2012 the city council approved resolution number 2012-71 adopting a mitigated negative declaration for the West Gateway Streetscape Beautification Plan.
LU.H Develop a street tree program (Engineering)	No change to program in 2013. Staff continued implementation of existing adopted ordinance and programs.
LU.I Develop streetscape improvement guidelines	Engineering Department is updating Engineering Standards and Specifications to

(Engineering)	develop uniform standards with San Benito County.
	Resolution No. 2012-105 was adopted in June 2012 authorizing and allocating the use of FY 07/08 and 09/10 Proposition 1B Transportation Funding for the City of Hollister's Capital Improvement Program for street rehabilitation and approve the appropriation of funding for project design.
	The successor agency got approved for a fund transfer and was awarded an Environmental Justice grant for complete streets from Caltrans. The grant will be for the research and design of the streetscape improvements of the Nash Road/Tres Pinos Road/Sunnyslope Road and McCray Street corridor.
	On June 17, 2013 the City Council of the City of Hollister adopted Resolution No. 2013-82, a resolution approving a professional services contract with Nelson Nygaard Associates, Inc. for a complete streets planning study of the Nash Road/Tres Pinos Road/Sunnyslope Road and McCray Street Corridor. On July 1, 2013 the city council approved Resolution No. 2013-95 approving a supplemental appropriation for a complete streets planning study for an environmental justice transportation planning grant for the complete streets project.
LU.K Formulate and implement an economic development strategic plan (2008)	1. On October of 2012 Resolution No. 2012-163 approved the Community Development Block Grant (CDBG) Business Assistance Loan Program guidelines. 2. Resolution no 2012-166 was approved in November 2012 authorizing ratification of a loan advisory board for the CDBG grant business assistance loan program. 3. Planning staff provided a series of educational presentations to the economic development corporation regarding zoning and general plan guidelines.

LU.L Inventory and designate historical sites	Ordinance 1063 was adopted by the City Council in November 2010 to repeal and replace in its entirety Chapter 15.16 Historic Preservation of the Hollister Municipal Code. The ordinance will create a Council appointed historic advisory body. The advisory body could then assist with
LU.M Inventory illegal or dangerous housing sites (2010). LU.X Rehabilitate, replace or eliminate illegal or dangerous housing units LU.N Assemble parcels for development in accordance with RDA programs – (purchase parcels to assemble for one large lot and build a RDA funded project or offer land to private developer (2010)	implementation of program LU.L Housing conditions survey for City of Hollister Housing Element revision completed in Summer of 2008 Code Enforcement review ongoing The State of California adopted AB 1X26 and Clean Up Legislation AB 1484 that abolished all RDA's in the state of California on February 1, 2012.
LU.O Assess existing Downtown Hollister parking district (2010)	 Parking needs reviewed in 2009 Hollister Downtown Strategy and Plan. Position of Community Services Officer for parking enforcement approved in May 2009. Ordinance 1048 established civil penalties for parking violations
LU.P Evaluate capital improvement program (2010)	1.Resolution 2012-01, was approved by the city council in January 2012 approving the project list for the airport Capital Improvement Program at the Hollister Municipal Airport from 2012-2022. 2. Resolution No. 2012-36, was approved by the city council in March of 2012 approving appropriation of fund 269 for the "street lighting retrofit project, CIP 3019." This Resolution approved the expenditure of additional grant program funding for the purpose of extending the number of street lights to be converted from high pressure sodium to LED within the City of Hollister.
	3.Resolution No. 2012-37, was approved by the city council in March of 2012 approving professional services agreement with Todd

	Engineers for the Fallon Road Well #3 Rehabilitation Project, CIP 2912 and Resolution No. 2012-38, approving an appropriation of fund 620 for the Fallon Road Well #3 rehabilitation project, CIP 2912. 4.Resolution No. 2012-64 was approved by the city council in April of 2012 accepting the Kennedy/ Jenks proposal to provide professional design services for the Lessalt Disinfection Byproducts Project, CIP 2501. 5. Resolution No. 2012-105, was approved by the city council on June 18, 2012 authorizing and allocating the use of FY 07/08 and 09/10 Proposition 1B
	Transportation Funding for the City of Hollister's Capital Improvement Program for street rehabilitation and approve the appropriation of funding for project design.
	6. Resolution No. 2012-144, was approved by the city council on September 2012 authorizing staff to apply for and use 2012- 2013 FAA & Cal Trans airport capital improvement program (ACIP) grant monies at the Hollister Municipal Airport.
	7. Resolution No. 2012-166, was approved by the city council on November 5, 2012 approving the appropriations of funds for the City's capital improvement program for FY 2012/2013.
LAND USE AND COMMUNITY DESIGN ELEMENT	Implementation Status
LU.Q Encourage intergovernmental coordination (Ongoing)	Council representatives and staff continue to participate in the interagency Intergovernmental and Governance committee for planning management of water and re-use of reclaimed water.
	Staff has participated with the Hollister School district to evaluate traffic safety near schools and coordinate improvements.

	Resolution No. 2013-59, was approved by the city council on May 20, 2013 authorizing execution of community recreation agreement with San Benito High School District for use of San Benito High School aquatics facility.
	Resolution No. 2013-146, was approved the the city council on September 16, 2013 approving an agreement with the San Benito County Water District for the transfer of the City 's Lessalt Water Treatment Facility Real Property and Facilities to the San Benito County Water District.
	Resolution No. 2013-77, was approved by the City of Hollister city council on June 3, 2017 approving an agreement with the City of San Juan Bautista for fire protection Services.
	Resolution No. 2013-172, was approved by the city council on November 4, 2013 authorizing the execution agreement between the Hollister fire department and south Santa Clara county fire district for automatic aid response to emergency incidents.
	LAFCO approved the annexation of the Hollister Urban Area Water and Wastewater Master Plan in November of 2012. Collaborating agencies included the City of Hollister, County of San Benito, Sunnyslope County Water District and San Benito County Water District.
	Staff participates in the county's geographic information system (GIS) technical committee to make GIS more efficient for staff and the public.
LU.R Encourage specific plans (Ongoing)	Ongoing
LU.S Evaluate public facilities fees	On November 7, 2011 the city council
(Ongoing)	considered a resolution establishing new

OPEN SPACE AND AGRICULTURE ELEMENT

OPEN SPACE AND AGRICULTURE	Implementation Status

ELEMENT	
OS.A Create an agricultural community disclosure ordinance	This type of ordinance is applicable to unincorporated areas where the noise, odor and mud from agricultural uses can be a perceived nuisance to rural residential land uses. Most agricultural uses in the city limits are in the industrial zoning districts where disclosure would be unnecessary. Other agricultural areas are unincorporated lands near the edge of the City limits.
OS.B Development open space management plans	Through the development review process, staff ensures the preservation of open space areas and encourages the dedication of open space areas that are adjacent to public open space. In addition, when potential open space is not contiguous to existing public open space, the preference is to
OS.B Development open space management plans (continued)	retain the open space in private ownership. When portions of a site are retained as private open space, the City ensures the preservation and management of that open space through appropriate means, including required maintenance, as determined through development review.
OS.C Investigate voluntary "Subscription Farm" or Community Supported Agriculture (CSA) programs	Implementation program is more applicable to projects that abut agricultural areas. The City has supported the Hollister Farmer's Market which is a source for local agricultural venders.
OS.D Enact a farm land trust	No activity. There is an existing non-profit San Benito Agricultural Land Trust.
OS.E Coordinate with other jurisdictions in open space planning	Implementation on an as needed basis.
OS.F Manage provide open space OS.G Provide open space access points	Implementation on an as needed basis. Included in growth management ranking and point system application for Allocations.
OS.H Create open space preservation opportunities	Performance Overlay zoning district allows flexible densities in hazard areas such as flood zones to preserve the areas as open space. Ordinance 1056 also requires residential development to avoid flood hazard areas
OS.I Restrict utilities in open space	Ordinance 1056 added prohibitions to the establishment of utilities in Flood Plain overlay zoning district.

NATURAL RESOURCES AND CONSERVATION ELEMENT

NATURAL RESOURCES AND CONSERVATION ELEMENT	Implementation Status
NRC.A Conduct air quality education programs (2 year)	Limited staff resources
NRC.B Explore regional planning opportunities to preserve habitats (2 year)	No activity in 2013
NRC.C Identify opportunities for PG&E	Continued cooperation with Association of
assistance (2 year)	Monterey Bay Area Governments and PG&E for energy conservation programs.
NRC. D Provide for backup energy	Back up power has been installed at the City
provision for city facilities (2 year)	corporation yard, City Hall, police station and Fire Station Number 2.
NRC.E Encourage "green" building	1. Growth management ranking criteria
standards and processes (3 year)	encourages green building by offering higher points in point ranking criteria.
NRC.P Promote solar design	Ordinance 1070 was adopted by the City Council in December of 2010 which
NRC.O Implement the LEED program	added to the Hollister Municipal Code the 2010 edition of the California
NRC.Q Publicize energy conservation	Building Standards, Title 24 of the
programs	California Code of Regulations in its entirety including Part 11 California
NDC S Paguire building and site design	Green Building Standards Code
NRC. S Require building and site design review for energy conservation	2. Hillview 25 unit self-help very low
leview for energy conservation	income subdivision constructed in 2011
	was designed for passive solar. In
	addition, solar panels where installed on
	the roofs of each unit.
	3. Gateway palms low income apartment
	units include solar panels. The former
	City of Hollister RDA assisted with the cost of the project.
	4. Vista Meadows 72 senior unit apartments
	included solar panels on the units. The
	former City of Hollister RDA assisted
	with the cost of the project.
	5. The City of Hollister promotes LEED
	green building for sustainable site development.
	6. Continued participation in presentations
	from Green Building Council and
	AMBAG on green building programs for
	existing and new buildings.

NDC G. Establish mitigation for the	7. Provide bilingual informative brochures from PG&E and other organizations on front counter at planning/building department to publicize energy conservation.
NRC.G Establish mitigation for the burrowing owl colony in the Fairview Road/Santa Ana Road Area (3 year)	The San Benito County Santana Ranch Specific Plan Draft Environmental Impact Report (EIR) was prepared in April 2010. Per the draft EIR, mitigation measures were implemented to avoid impacts as outlined in the California Department of Fish and Game Guidance. Mitigation Measures for the burrowing owl are listed in the San Benito County Santana Ranch Specific Plan Draft EIR pg. 3.4-38.
NATURAL RESOURCES AND CONSERVATION ELEMENT	Implementation Status
NRC.H Apply air quality standards in development review (Ongoing) NRC.T Require construction techniques that minimize wind erosion	Section 17.16.040 of Ordinance 1038 adopted in December 2008 includes performance standards for dust and dirt control. Per Air District's requirements the California Emissions Estimator Model (CalEEMod) is used for CEQA review on projects for greenhouse gases and air quality. The prior model used was the Urban Emissions Model (URBEMIS). Ordinance 1053 for grading and best management practices adopted in December 2010 requires practices to reduce particulate dust.
NRC.I Apply standards to sensitive air quality receptors to buffer sources from toxic air contaminants or odors(Ongoing)	Development review process is used for inter-departmental review of discretionary planning applications.
NRC.M Establish buffers to protect air quality (Ongoing) NRC.R Require appropriate landscaping to mitigate air quality impacts	
NRC.J Apply Title 24 requirements (Ongoing) NRC.K Conduct surveys for burrowing	Ongoing – standards are used for building permit review. Ongoing – Biological assessment is required

owls (Ongoing)	per the California Environmental Quality Act on discretionary projects and
NRC.U Require pre-construction surveys	conditions/mitigation measures are
for nesting raptors	implemented to protect sensitive bird species including conditions to protect birds in
NRC.V Require project mitigation for habitat	nesting season.
	Wetlands delineation was not applicable to
NRC.X Require wetlands delineation	discretionary applications reviewed in 2013
NRC.Y Require wetlands replacement	7 11

Recently received prezoning approval: In January 21, 2014 the City of Hollister city council adopted 1097 Ordinance prezoning for annexation 19.49 acres residential for development located South of Southside Road and east of San Benito Street. On 12/16/2013 the city council passed 2013-210 Resolution

adopting a mitigated negative declaration for the prezoning of this

property.

Total acres recently prezoned by the City of Hollister but still require LAFCO approval: 19.49 acres.

Recently annexed:

2011, the City Council approved the prezone of 22.62 acres of which 5.98 acres are prezoned for R1 single family housing. LAFCo has approved the annexation and the Hollister city of Planning Commission approved 29 residential allocation units for the 5.98 acre residential portion of the site in 2013.

In 2012 the city council approved resolutions to initiate proceedings with LAFCo for the annexation of territory of 41.14 acres located between Meridian Street to the north, Hillcrest Road to the south, McCray Street to the west and Highway 25 Bypass to the east into the City Hollister. The land has been prezoned mostly for general commercial, however, there is a multifamily component. In June of 2013 LAFCo approved the annexation of the 41.14 acres into the corporate

			limits of the City. Total acres recently approved by LAFCO for annexation: 47.12 acres.

ANNUAL ELEMENT PROGRESS REPORT HOUSING ELEMENT IMPLEMENTATION GENERAL COMMENT

The city council approved Resolution No. 2013-42 in April of 2013, authorizing the submission of an application for funding from the community development allocation of the state community development block grant (CDBG) program and authorizing the city manager to execute grant agreements, sub recipient agreements and any amendments thereto and authorize the development services director to execute funds requests and other required reporting forms for the purposes of administering the grant. On May 6, 2013, the city council adopted Resolution No. 2013-52 a resolution of the city council of the city of Hollister approving supplemental appropriations for the HOME, first time home buyer, down payment assistance program, and for development services department line items. Resolution No. 2012-56, was also approved by the city council authorizing the Community Development Block Grant (CDBG) Down Payment Assistance Program for First Time Homebuyer (FTHB) and Program Guidelines. The City of Hollister has assisted 13 families with the FTHB program since the authorization of this program, including 5 in 2012 and 8 in 2013.

On June 17, 2013 the city council adopted Resolution No. 2013-82, a resolution of the city council of the City of Hollister approving a professional services contract with Nelson Nygaard associates, inc. for a complete streets planning study. On July 1, 2013 Resolution No. 2013-95 was adopted approving a supplemental appropriation for a complete streets planning study for an environmental justice transportation planning grant for two streets (Nash/Tres Pinos Rd/Sunnyslope and McCray)

In Fiscal Year 2009-10 the RDA agency entered into a contract with Pacific Geotechnical to compile and map the location of prior surface fault hazard investigations to determine whether properties that abut or are within close proximity to a prior surface fault hazard investigation can be cleared from the requirement for a surface fault hazard study. This would allow property owners that abut or are within close proximity to a prior surface fault hazard to know if they are cleared from the requirement of a surface fault hazard study for development.

The City of Hollister promotes LEED green building for sustainable site development. Growth management ranking criteria pursuant to the City's Measure U Growth Management Ordinance encourages green building by offering higher points in the point ranking criteria for projects that include renewable energy/green building components. Ordinance 1070 was adopted by the City Council in December of 2010 which added to the Hollister Municipal Code the 2010 edition of the California Building Standards, Title 24 of the California Code of Regulations in its entirety including Part 11 California Green Building Standards Code.

On August 19, 2013, the City of Hollister City Council adopted Resolution No. 2013-123, a resolution of the City Council of the City of Hollister adopting the west gateway streetscape beautification plan. This west entrance into the City of Hollister is planned to be transitioned as an attractive gateway to the city to stimulate economic development. The general plan and zoning ordinance has designated most of this area as a mixed use corridor for both residential and commercial development.

4. CITY OF HOLLISTER GENERAL PLAN COMPLIANCE WITH THE OFFICE OF PLANNING AND RESEARCH GENERAL PLAN GUIDELINES

5. DATE OF THE LAST UPDATE TO THE CITY OF HOLLISTER GENERAL PLAN

The City of Hollister completed a comprehensive update to the 1995-2005 General Plan when it adopted the 2005-2023 General Plan in December of 2005. The update was prepared to be in compliance with the Office of Planning and Research General Plan Guidelines.

The required revision of the City of Hollister General Plan Housing Element for the 2009-2014 program periods was completed in 2009. As required by section 65302 (d)(3) and (g) (2) of the Government Code, the City of Hollister Natural Resources, Health and Safety and Land Use and Community Design Elements were concurrently amended. The amendments provide more accurate mapping of flood hazard areas (including Flood Awareness Protection Areas) as well as liquefaction and landslide hazards. The amendments also added programs and polices related to development of a local hazard mitigation plan and to avoid establishment of residential and public facilities in flood hazard areas.

6. CITY COUNCIL PRIORITIES FOR LAND USE DECISIONS (E.G. PASSAGE OF MORATORIA OR EMERGENCY ORDINANCES).

The State of California adopted AB 1X26 and clean up legislation AB 1484 that abolished all RDA's on February 1, 2012. The city council approved Resolution No. 2012-06 in January of 2012, a resolution of the City of Hollister to express its intent to serve as the successor agency of the former RDA of the City of Hollister, pursuant to health and safety code section 34171(j) and section 34173, and to elect to retain the housing assets and functions previously performed by the RDA of the City of Hollister, pursuant to health and safety code section 34176. This Resolution establishes that the City of Hollister will serve as both the Successor Agency and the Successor Housing Agency to the former Hollister RDA.

The Measure U Growth Management Allocation Program for 2013 awarded 247 residential allocations of which 124 are for multifamily residential including townhomes and apartments and 123 for single family residential dwelling units. It is possible that for

the 2014 calendar year, the anticipated new construction rates could be higher due to a current approved list of overall remaining residential allocation units of 2,765.

7. Goals, policies, objectives standard or other plans proposals that need to be added or were deleted, amended or adjusted.

-Goals or policies were not deleted, amended or adjusted from the general plan during the 2013 year. Policies and objectives of the general plan have been addressed on this report.

8. Planning activities

a. Planning Activities Initiated:

- i. West Gateway Streetscape Beautification. On May of 2012 the city council approved Resolution No. 2012-71 adopting a mitigated negative declaration for the San Juan Road (West Fourth Street) streetscape improvements. On August 19, 2013, the City of Hollister City Council adopted Resolution No. 2013-123, a resolution of the City Council of the City of Hollister adopting the west gateway streetscape beautification plan. Implementation of the plan shall occur as development occurs in the West Gateway. In 2013, the planning commission approved the construction of a 1,140 square foot retail space and an attached 4,560 square foot mini market to replace an existing vacant mini market to accompany four existing gas pumps on a 0.46 acre parcel. The project is currently under construction and the street improvements will be incorporated pursuant to the West Gateway Streetscape Beautification Plan.
- ii. Complete Street: On June 17, 2013 the city council adopted Resolution No. 2013-82, a resolution of the city council of the City of Hollister approving a professional services contract with Nelson Nygaard associates, inc. for a complete streets planning study. On July 1, 2013 Resolution No. 2013-95 was adopted approving a supplemental appropriation for a complete streets planning study for an environmental justice transportation planning grant for two streets (Nash/Tres Pinos Rd/Sunnyslope and McCray). (Resolution adopted).
- iii. Walnut Park 13 (96 units): Walnut Park 13 located south of Union Road between Cerra Vista Dr., and Calistoga Dr, and north of Panorama Drive received allocations and tentative map approval for 42 single family units. Twenty of the single family residential units have been completed and occupied and the other 22 units are

- currently under construction and anticipated to be fully built by the summer of 2014. The project received another 54 residential allocations from the City of Hollister Planning Commission on April 11, 2013 with Resolution No. 2013-3 for multifamily residential units. The total proposed building on the 12.95 acre site is 96 residential units.
- iv. Eden West/Hacienda Square (55 units): Fifty-five (55) single family residential units are currently being constructed in the Eden West subdivision located between Steinbeck Drive to the north, Apricot Lane to the south and east of Line Street. Completion and occupancy of the units is anticipated in the fall of 2014.
- v. Hillock Ranch (40 units): The Hillock Ranch subdivision located west of Hillock Drive, south of Sunset Drive and east of Ladd Lane is currently finalizing the construction of forty (40) single family units. Construction of the forty units initiated in 2013 and construction is anticipated to end at the project site by the spring of 2014.
- vi. In June of 2013, LAFCO of San Benito County approved the annexation of 41.14 acres located between Meridian Street to the north, Hillcrest Road to the south, McCray Street to the west and Highway 25 Bypass to the east.
- vii. In 2013, the City of Hollister initiated work on a prezone for annexation of a 19.49 acre parcel for residential development located South of Southside Road and east of San Benito Street. On 12/16/2013 the city council adopted Resolution No. 2013-210 approving a mitigated negative declaration for the prezoning of this property. In January 21, 2014 the City of Hollister city council adopted Ordinance 1097 prezoning the property. Annexation is anticipated in 2014.
- viii. Taliferro & Scagliotti (5 units): In 2012, staff met with the property owner of the property located west of Powell Street near the intersection with South Street, further identified as 808 Powell Street. The property owner applied for a Site and Architectural Review for five (5) residential units and received approval in 2013. The units were built in 2013 and are now occupied.
- ix. Hillview II (30 units):In December of 2012 the city council approved Resolution No. 2012-171 approving the final map and subdivision improvement agreement for the South County Housing Hillview II subdivision consisting of 30 single family self-help units between Central Avenue, Buena Vista Road, and east of Bridgevale Road. The units are

- currently under construction and are expected to be complete and occupied by the Spring of 2014.
- x. Rajkovich (81 units): On December 19, 2013 the City of Hollister Planning Commission adopted Resolution No. 2013-31 approving major subdivision no. 2012-1 to subdivide 22.25 acres into 81 single family residential lots with a 3.88 acre remainder parcel located east of San Benito Street, south of Eastview Drive, sest of Nora Drive, and south of Southside Road. Construction is anticipated to initiate in the summer of 2014.
- xi. Ladd Lane/North Florida (101 units): On June 26, 2013 the City of Hollister Planning Commission approved Site & Architectural Review Application No. 2013-3 and Tentative Map No. 2013-1 to subdivide an 8.51 acre parcel into forty-four (44) lots consisting of commercial and residential improvements. The project is located on the west end of Ladd Lane across from Hillock Drive, behind the K-Mart shopping center. The residential improvements include 63 apartment units and 38 single family units. The applicant requires final map approval. Construction is anticipated to commence in 2014.
- xii. Valles & Associates LLC (50 units): On December 19, 2013 the City of Hollister Planning Commission adopted Resolution No. 2013-32 approving Site and Architectural Review 2013-8 for the construction of fifty (5) apartment units consisting of five buildings and one rental office building on a 2.7 acre site located at 1605 Cushman Street, near the intersection of Cushman Street and Nash Road. Construction is anticipated to commence in 2014.
- xiii. The Villages of Santa Ana (149 units): On February 22, 2011 the City Council approved Resolution No. 2011-13 approving a development performance agreement with Brigantino Enterprises for 149 residential allocations. The property is located between Santa Ana Road to the north and Brigantino Drive to the south. An application requesting tentative map approval was submitted by the applicant in 2013. The City of Hollister is currently preparing an environmental document pursuant to the California Environmental Quality Act (CEQA) for this project. Planning Commission tentative map review for this project is anticipated in the spring of 2014.
- xiv. Sunnyslope Investments LLC. (29 units): In 2011, the City Council approved the prezone of 22.62 acres of which 5.98 acres were prezoned for R1 single family housing. LAFCo has approved the annexation and in December 19, 2013 the city of Hollister Planning Commission adopted Resolution No. 2013-29, approving 29 residential allocation units in the 5.98 acre residential portion of the site.

- xv. Tentative Map 2013-5 Cerrato Estates (241 units): The applicant is requesting approval of a Tentative Map 2013-5 encompassing 42 acres in the R3-M/PZ Medium Density Residential Performance Overlay Zoning District. The Tentative Map proposes to subdivide 42 acres as follows: 241 single-family lots (Lots #1 through #241) on 27.14 net acres. The property is located at 510 Hillcrest Road and pending approval of the tentative map construction is anticipated in the fall of 2014.
- xvi. Prezoning and annexation of unincorporated county islands (ongoing)
- xvii. In 2013 the City of Hollister initated a prezone application for the annexation of territory in the low density residential zoning district APN: 020-006-011 consisting of 22.38 acres (Applicant Infelise).
- xviii. In October of 2013 the City of Hollister City Council approved the initiation of prezoning for annexation of APN: 019-110-031, 019-120-013, and 019-120-011 consisting of a total of 36.69 acres (Gonzalez and Borelli)
 - xix. Measure U allocations awarded.

b. General Plan Amendments: (None in 2013)

- i. General Plan Amendment 2008-2 (January 2009) Amendment to Land Use Plan to correct mapping errors.
- ii. General Plan Amendment 2009-1 (April 2009). The amendment updated the Housing Element Inventory of sites to reflect the revised zoning map adopted in December 2008.
- iii. General Plan Amendment 2009-2 (December 2009) Required 2009-2014 revision to the City of Hollister Elements and amendments to the General Plan to comply with requirements in section 65302 of the Government Code for policy and programs related to flood hazards and information related to fire, liquefaction and landslide hazards.

		units in the 5.98 acre residential
		portion of the site.

9. ADDITIONAL CONTENT

a. Interagency and Intergovernmental Coordination Efforts

- Staff participates in the Hollister Downtown Association Design
 Committee to emphasize quality design in the downtown that is sensitive to the historic fabric and conducive to a pedestrian atmosphere.
- o Staff has an active participation in the tourism task force.

- Association of Monterey Bay Area Governments:
 - Participation with energy conservation programs
- o Governance Committee: Ongoing
- Hollister School District
 - Review of strategies to review safe routes to school and improve traffic safety
- o Intergovernmental Committee:
 - Geographic Information System (GIS) coordination
- o San Benito County Council of Governments:
 - Update to Hollister Municipal Airport Comprehensive Land Use Plan
 - Traffic Advisory Committee (Caltrans, COG, San Benito County, San Juan Bautista)

b. Efforts to promote infill development, reuse and redevelopment particularly in underserved areas

- Growth allocations priority to infill sites
 - Portions of downtown Hollister are within the Alquist-Priolo earth Fault Hazard Zone. Many lots are less than 50 feet wide and a surface fault investigation would need to extend 50 feet beyond both property lines in many cases which can be constrained by buildings, streets and other infrastructure. The former Redevelopment Agency approved a contract with a geologic consulting firm to compile a map of all properties in the downtown area that have been evaluated for surface fault rupture pursuant to the Alquist Priolo Earthquake Fault Zoning Act. Several properties with buildings that were destroyed or demolished as a result of the the 1989 Loma Prieta Earthquake were evaluated in the early 1990s but the contiguous property in the 'shadow' of the study was not cleared. One of the purposes of the study is to identify possible locations to clear adjacent properties in the shadow of an approved surface fault hazard investigation to stimulate infill development or re-development of properties.
