1. DATE OF ACCEPTANCE OF CITY OF HOLLISTER ANNUAL 2020 GENERAL PLAN PROGRESS REPORT BY THE CITY OF HOLLISTER CITY COUNCIL

The City of Hollister Annual 2020 General Plan Progress report was reviewed and accepted by the City Council at the regular City Council meeting of March 15, 2021.

2. MEASURES ASSOCIATED WITH IMPLEMENTATION OF GENERAL PLAN ELEMENTS

LAND USE AND COMMUNITY DESIGN ELEMENT

LAND USE AND COMMUNITY DESIGN ELEMENT	Implementation Status
Zoning Ordinance (1-2 Years) LU.A Develop signage ordinance (Planning)	Sign ordinance was completed in 2008 with the approval of Ordinance 1038. Ongoing implementation. An ad-hoc committee is in the process of reviewing the downtown sign ordinance for 2019. The City of Hollister Planning Commission recommended adoption of the downtown sign ordinance at its January 23, 2020 meeting. The first reading of the downtown sign ordinance occurred March 16, 2020 City Council meeting. Ordinance 1188 repealing and replacing Chapter 17.20 “Signs” of the Hollister Municipal Code was adopted at its regular April 6, 2020 meeting of the City Council.
LU.B Investigate inclusionary housing programs (Housing)	At its regular meeting of Monday February 3, 2020, the City Council of the City of Hollister adopted Resolution No. 2020-17, a resolution of the City Council of the City of Hollister awarding a contract to PlaceWorks, Inc. for the preparation of a General Plan Update and Environmental Review for the City of Hollister. Section 4.1 of the scope of work for the City of Hollister update of the general plan indicates that “PlaceWorks Inc. will develop several alternatives for inclusionary housing policies and policies that might require a percentage of rental residential units within each residential project or subdivision.” Place Works, Inc. will prepare a public involvement strategy which will describe outreach goals, identify ways to engage underrepresented groups in the community including preparing materials and conducting meetings in English and Spanish, define public input “channels” such as workshops, pop-up events, provide presentations to community groups, and online engagement by which to gather community opinions.

	On June 22, 2017 the City of Hollister Planning Commission approved a Site & Architectural Review Application No. 2017-2 for the construction of 49 one-bedroom affordable senior apartment units on a 1.2-acre site located at 560 Line Street within the R4 High Density Residential Zoning District. The development known as "Senior Sunrise Apartments" is complete and was occupied in 2019. The ribbon cutting/grand opening ceremony took place on February 21, 2020. In 2019, the Vista de Oro development at Miller Road and 4th Street consisting of 80 multifamily apartments for Very Low and Low Income families received occupancy.
LU.C Revise zoning regulations (Planning/Engineering)	This has been complete. Zoning review standards were adopted in 2008 with Ordinance 1038. Since then, there have been various amendments to the code providing minor clarifications, corrections and amendments to the zoning ordinance to assure internal consistency within the municipal code. Ordinance No. 1194 an Ordinance of the City Council of the City of Hollister Amending miscellaneous Sections of Title 17 "Zoning Code" of the Hollister Municipal Code was adopted on September 8, 2020 allowing for consistency on the land uses for cannabis use between the zoning code and the cannabis ordinance. Ordinance No. 1198 an Ordinance of the City of Hollister Amending Chapter 17.16.020 of the Hollister Municipal Code Regarding "Accessory Residential Uses and Structures" was adopted on November 2, 2020 allowing for accessory structure of up to 120 sq. ft. and up to 15 feet in height to have a 5 foot setback instead of 10 feet between the main house and the accessory structure in the rear yard.

Collaborate with the building department to streamline applications for photovoltaic permits. 3. Collaborate with applicants of affordable housing projects to promote available state programs for placement of photovoltaic solar panels.
LU.G Develop and adopt design review guidelines in the zoning code for gateway districts, special planning areas, streetscape, circulation and site planning.	On August 19, 2013, The City of Hollister City Council adopted Resolution No. 2013-123, a resolution adopting the west gateway streetscape beautification plan. It was anticipated that funds from a 2009 bond would have been used to begin the initial phase of streetscape beautification improvements in the West Gateway. The dissolution of the Redevelopment Agencies prohibited the use of the bond. The environmental document was prepared and in May of 2012 the city council approved resolution number 2012-71 adopting a mitigated negative declaration for the West Gateway Streetscape Beautification Plan. Implementation of the West Gateway Beautification Plan occurs as development along west Fourth Street (formerly San Juan Road) occurs such as with Vista de Oro and Solorio Park I. Resolution No. 2020-208 a Resolution of the City Council of the City of Hollister Authorizing the San Benito Street Traffic Calming and Beautification Project and Approving an Appropriation of Funds was adopted by the City Council at its regular meeting of October 19, 2020. At the same meeting, Resolution No. 2020-210 a was adopted. This is a Resolution of the City Council of the City of Hollister Approving The Parklet Program - Policy, Procedures and Guidelines and Authorizing an Appropriation in the Amount of \$15,000 from the General Fund for the construction of a City owned

OPEN SPACE AND AGRICULTURE ELEMENT

OPEN SPACE AND AGRICULTURE ELEMENT	Implementation Status
OS.A Create an agricultural community disclosure ordinance	This type of ordinance is applicable to unincorporated areas where the noise, odor and mud from agricultural uses can be a perceived nuisance to rural residential land uses. Most

	agricultural uses in the city limits are in the industrial zoning districts where disclosure would be unnecessary. Other agricultural areas are unincorporated lands near the edge of the City limits.
OS.B Development open space management plans	Through the development review process, staff ensures the preservation of open space areas and encourages the dedication of open space areas that are adjacent to public open space. In addition, when potential open space is not contiguous to existing public open space, the preference is to retain the open space in private ownership. When portions of a site are retained as private open space, the City ensures the preservation and management of that open space through appropriate means, including required maintenance, as determined through development review.
OS.C Investigate voluntary “Subscription Farm” or Community Supported Agriculture (CSA) programs	Implementation program is more applicable to projects that abut agricultural areas. The City has supported the Hollister Farmer’s Market which is a source for local and regional agricultural venders.
OS.D Enact a farm land trust	No activity. However, on June 18, 2018, the City Council of the City of Hollister adopted Resolution No. 2018-167 approving certification of an Environmental Impact Report for the Chappell Road area prezone project. Mitigation Measure 3.2.1 indicates “in the event, that no City program is in place, the subdivider shall provide that for every one (1) acre of Prime Farmland on the site that is permanently converted to nonagricultural use as a result of project development, one (1) acre of land of comparable agricultural productivity shall be preserved in perpetuity.” There is an existing non-profit San Benito Agricultural Land Trust.
OS.E Coordinate with other jurisdictions in open space planning	Implementation on an as needed basis.

OS.F Manage provide open space	Implementation on an as needed basis.
OS.G Provide open space access points	Included in growth management ranking and point system application for Allocations.
OS.H Create open space preservation opportunities	Performance Overlay zoning district allows flexible densities in hazard areas such as flood zones to preserve the areas as open space. Ordinance 1056 also requires residential development to avoid flood hazard areas.
OS.I Restrict utilities in open space	Ordinance 1056 added prohibitions to the establishment of utilities in Flood Plain overlay zoning district.

If active burrowing owls are detected, the project applicant shall implement the avoidance, minimization, and mitigation methodologies outlined in the CDFW's staff report prior to initiating project-related activities that may impact burrowing owls.</i>
NRC.H Apply air quality standards in development review (Ongoing)	Section 17.16.040 of Ordinance 1038 adopted in December 2008 includes performance standards for dust and dirt control. Per Air District's requirements the California Emissions Estimator Model (CalEEMod) is used for CEQA review on projects for greenhouse gases and air quality. The prior model used was the Urban Emissions Model (URBEMIS). At its regular meeting of Monday February 3, 2020, the City Council of the City of Hollister adopted Resolution No. 2020-17, a resolution of the City Council of the City of Hollister awarding a contract to PlaceWorks, Inc. for the preparation of a General Plan Update and Environmental Review for the City of Hollister. Section 6.5 of the scope of work indicates that PlaceWorks will prepare a stand-alone Climate Action Plan (CAP) for the City of Hollister to support community –wide GHG reductions. The CAP would include the preparation of GHG forecasts and identify reduction targets. The CAP would identify and quantify existing and planned activities and the CAP would develop and quantify GHG reduction measures.
NRC.T Require construction techniques that minimize wind erosion	Ordinance 1053 for grading and best management practices adopted in December 2010 requires practices to reduce particulate dust.

HS. E Provide public information on safety and emergency preparedness issues (2-year)	Interagency coordination with preparation of Hazard Mitigation Plan. Staff participated in county wide Emergency Operations Plan with the San Benito County Office of Emergency Service (ongoing participation). At its regular meeting of Monday February 3, 2020, the City Council of the City of Hollister adopted Resolution No. 2020-17, a resolution of the City Council of the City of Hollister awarding a contract to PlaceWorks, Inc. for the preparation of a General Plan Update and Environmental Review for the City of Hollister. Per Section 6.6 of the scope PlaceWorks will prepare a Local Hazard Mitigation Plan (LHMP) as part of the general plan update. The LHMP would include an assessment and map of hazards and critical facilities within the City. It is anticipated that the plan will focus on earthquakes, wildfires, floods, drought, and climate change. The LHMP would undertake a vulnerability assessment of critical facilities. This task would also address social vulnerability issues associated with the hazards of concern to better understand key populations that may be inordinately vulnerable to these hazards. The LHMP would create hazard mitigation strategies and actions to reduce the city's vulnerability. City staff and stakeholders would be engaged thought the project. Once complete, the plan would be transmitted to the California Office of Emergency Services (Cal OES) and the Federal Emergency Management Agency (FEMA) for review and approval.

Program Description (By Housing Element Program Names)	Housing Programs Progress Report – Government Code Section 65583 Describe progress of all programs including local efforts to remove governmental constraints to the maintenance, improvement, and development of housing as identified in the housing element.		
Name of Program	Objective	Timeframe in H.E.	Status of Program Implementation
H.A Develop program guidelines to establish a Foreclosed Home Reactivation Program	Financial assistance to return foreclosed homes to purchase and rehabilitate foreclosed homes as affordable housing	2010	Completed
H.B Develop program guidelines to establish a Tenant Based Rental Assistance (TBRA) Program	Program to help rent payments for lower income households so cost does not exceed 30% of the household income.	July 2010	Ongoing program. Former Redevelopment Agency allocated \$50,000 per year for tenant based senior rental assistance for ten years until December of 2019.
H.C Implement impact fees and planning fees that encourage the construction of affordable housing. Lower connection fees for multi-family units	Remove governmental constraint to affordable housing	Ongoing	Tiered impact fees have been adopted that are lower for multi-family residential units and secondary units. The City of Hollister works with developers who provide special needs housing such as senior housing and has reduced impacts fees to 1/3 of the fee making a finding that the senior development would only occupy less than half of the household average. The City of Hollister meets with developers and encourages developers to work with agencies that Develop special needs/affordable housing such as Community Housing Improvement Systems and Planning Association, Inc. H. K Partner with water purveyors to continue to provide for future water system capacity	Ensure water supply for housing development	Ongoing	Continued City interagency participation in Governance Committee for planning and developing programs for long term water supply and quality. There is enough capacity to meet the RHNA for lower income households for water and sewer in the City of Hollister. In general, water quality is regulated by the State Water Resources Control Board through the National Pollutant Discharge Elimination System (NPDES) program. The goal of the program is to control and reduce pollutants to water bodies from point and non- point discharges for both long-term project activities and construction activities. The Central Coast Regional Water Quality Control Board (regional board) issues and enforces NPDES permits for discharges to water bodies in the portion of Monterey County that drains to the Monterey Bay. Storm water from the city drains into the San Benito River and the Pajaro River, which eventually empties into the Monterey Bay. As identified in the city’s general plan EIR, groundwater is used in

			conjunction with surface water to meet water demands within the Gilroy-Hollister underwater Basin (page 4.10-8). "Conjunctive use" of groundwater and surface water can result in a combined yield that is greater than the sum of the separate yields of the surface water and groundwater components. This is achieved by using stored groundwater to supply most of the demand during droughts, when surface water deliveries are curtailed. During wet periods, surface water is used to meet most of the demand, and groundwater storage is allowed to recover. <u>Waste Discharge Requirements.</u> The City of Hollister Domestic Wastewater Plant has a design capacity of over 5.0 million gallons per day, which will provide sufficient capacity for anticipated flows through the year 2023, according to the city's <i>Long-Term Wastewater Management Program</i> (City of Hollister 2005) and the 2008 <i>Urban Area Water and Wastewater Master Plan</i> (City of Hollister 2008). Currently, the domestic wastewater plant processes

			less than 3 million gallons per day which means that there is enough capacity to meet the RHNA for lower income households for sewer. Wastewater facilities and treatment are provided by the City of Hollister. The city operates two wastewater treatment and disposal facilities. The Domestic Wastewater Treatment Plant is located west of downtown on both sides of the Highway 156 bypass near the San Benito River. The Industrial Wastewater Treatment Facility is located west of downtown Hollister at the west end of South Street and on the north side of the San Benito River, less than one mile east of the Domestic Wastewater Treatment Plant. Treated wastewater from both facilities is disposed of by percolation, which contributes to localized areas of high groundwater in the Hollister West sub-basin. Wastewater generated from future residential development will be collected and conveyed to the City of Hollister Domestic Wastewater Treatment Plant for treatment and disposal. The city's wastewater treatment plant utilizes immersed member bioreactor

**CITY OF HOLLISTER HOUSING SUCCESSOR ANNUAL REPORT REGARDING THE
LOW AND MODERATE INCOME HOUSING ASSET FUND FOR FISCAL YEAR 2019-
2020 PURSUANT TO HEALTH AND SAFETY CODE SECTION 34176.1(f)**

**This report was accepted by the City of Hollister City Council at its regular meeting
of February 16, 2021 (Item K1).**

This City of Hollister Housing Successor Annual Report (Report) has been prepared pursuant to California Health and Safety Code Sections 34176.1(f). This Report summarizes activities during Fiscal Year 2019/20 related to the Low and Moderate Income Housing Asset Fund (LMIHAF). The purpose of this Report is to provide the City Council in its capacity as the Housing Successor to the former City of Hollister Redevelopment Agency an annual report on the housing assets and activities of the Housing Successor under Part 1.85, Division 24 of the California Health and Safety Code, in particular sections 34176 and 3416.1 (Dissolution Law).

The following Report is based upon information prepared by the City of Hollister staff and information contained within the independent financial audit of the Low and Moderate Income Housing Asset Fund for Fiscal year 2019-2020, which is on file with the City Clerk. This Report conforms with and is organized into Sections 1 through 11 pursuant to Section 34176.1 (f) of the Dissolution Law.

- 1. Amount Deposits into the Low Moderate Income Housing Fund in FY 2019/20 from loan agreements between the former Hollister Redevelopment Agency and the City of Hollister pursuant to 34919.4 (b) (3) (A) (§34176.1 (f)(1): None.**

Deposits of funds to the Low Moderate Income Housing Fund from repayment of loans owed to the Low Moderate Income Housing Fund in FY 2019/20 in order to make payments to the Supplemental Educational Realignment Augmentation Fund from the former Hollister Redevelopment Agency pursuant to 34919.4 (b) (3) (B) (C) (§34176.1 (f)(2): None.

2. Balance of the Low Moderate Income Housing Asset Fund at the end for Fiscal Year 2019/20 and any amounts held for items listed on the Recognized Obligation Payment Schedule (§34176.1 (f)(3):

- a. Low Moderate Income Housing Asset Fund Balance: \$1,223,875.
- b. None.

3. Summary of Expenditures from the Low Moderate Income Housing Fund by Category (§34176.1 (f)(4):

Description of Expenditures	Amount
1. Monitoring and preservation of long-term affordability covenants	\$251,114
2. Homeless Prevention and Rapid Rehousing Services	\$ 0
3. Housing Development Expenditures	\$ 0
• Expenditures on Extremely Low Income Rental Units	\$ 0
• Expenditures on Very Low Income Units	\$ 0
• Expenditures on Low Income Units	\$ 0

4. Value of Housing Successor assets (§34176.1 (f)(5):

- a. Real property: \$110,000
- b. Loans and grants receivable:
 - i. Loans with monthly payments \$71,243
 - ii. Estimated value of 144 Forgivable loans and/or loans with deferred payments: \$14,277,983. The majority of the deferred loans will not require payment for twenty or more years.

5. Description of transfers of Low Moderate Income Housing Funds (LMIHAF) to other Housing Successor's. (§34176.1 (f) (6): The City of Hollister did not make any LMIHAF transfers to other Housing Successor(s) under §34176.1 (c) (2) during the Fiscal Year.

6. Description of any project that received property tax on the Recognized Obligation Payment Schedule during FY 2018/19 (§34176.1 (f) (7): The former City of Hollister Redevelopment Agency entered into an agreement with Hollister Investment Group in 2010 to provide tenant based rental assist to ten very low income senior apartments at the Prospect Villa Senior Apartments until the end of 2019 in the amount of \$50,000 per year. The City of Hollister continues to provide tenant based

rental assistance to Prospect Villa Senior Apartments and will look to extend the contract this fiscal year.

7. **Status of real property acquired by the former RDA (§34176.1 (f)(8):**

- a. **Prior to 2/1/2012:** The property at 1191 Sunnyslope Road was developed for transitional housing with assistance from the Low Moderate Income Housing Funds of the former Hollister Redevelopment Agency and continues to be leased to the Emmaus House with rental restrictions for said use. It has come to staff's attention that the property inadvertently was not transferred from the City of Hollister to the Hollister Redevelopment Agency in 1996. It is possible the property is owned by the City of Hollister and should not be considered a housing asset of the former City of Hollister RDA.
- b. **After 2/1/2012:** Not applicable – none purchased.

8. **Description of outstanding obligations for replacement housing pursuant to Health and Safety Code §33413 (§34176.1 (f)(9):** ***Replacement Housing:***

According to the draft 2009-2014 Implementation Plan for the former Hollister Redevelopment Agency (RDA), no Section 33413(a) replacement housing obligations were transferred to the Housing Successor. The Hollister RDA was unable to adopt the update to the draft plan in 2011 due to prohibitions in the Dissolution Act and Voluntary Program Act. The draft 2009-2014 and 2005-2009 Implementation Plans did not identify a need for replacement housing and are posted on the City's website at <http://hollister.ca.gov/government/city-departments/development-services/successor-agency>.

Inclusionary/Production Housing: *Not applicable.* According to the draft 2009-2014 Implementation Plan for the former Hollister Redevelopment Agency (RDA), no Section 33413(b) inclusionary/production housing obligations were transferred to the Housing Successor. The Hollister RDA was unable to adopt the update to the draft plan in 2011 due to prohibitions in the Dissolution Act and Voluntary Program Act. The draft 2009-2014 and 2005-2009 Implementation Plans are posted on the City's website at <http://hollister.ca.gov/government/city-departments/development-services/successor-agency>.

The Housing Successor has had an Excess Surplus since FY 2012/13. If the Hollister Housing Successor does not encumber the excess surplus by the end of FY 2019/20, the excess funds will be transferred to the Community Development Department for expenditure pursuant to the Multi-family Housing Program or the Joe Serna, Jr. Farmworker Housing Grant Program. The projected surplus by the end of FY 2019/20 could be less than \$1,000,000 if annual administrative costs average about \$250,000 per

year. However, the balance could be higher from repayment of loans and should be monitored in FY 19/20 to assure there is not an excess surplus.

This would apply to Very low income and some Low income households. The information is not required to be reported until 2019.

4. CITY OF HOLLISTER GENERAL PLAN COMPLIANCE WITH THE OFFICE OF PLANNING AND RESEARCH GENERAL PLAN GUIDELINES

The City of Hollister Annual 2020 General Plan Progress report was reviewed and accepted by the City Council at the regular City Council meeting of March 15, 2021 per Section 65400 of the Government Code.

5. DATE OF THE LAST UPDATE TO THE CITY OF HOLLISTER GENERAL PLAN

The City of Hollister completed a comprehensive update to the 1995-2005 General Plan when it adopted the 2005-2023 General Plan in December of 2005. The update was prepared to be in compliance with the Office of Planning and Research General Plan Guidelines. The required revision of the City of Hollister General Plan Housing Element for the 2009-2014 program periods was completed in 2009. The required revision of the City of Hollister General Plan Housing Element for the 2015-2023 program periods was completed in April of 2016. As required by section 65302 (d)(3) and (g) (2) of the Government Code, the City of Hollister Natural Resources, Health and Safety and Land Use and Community Design Elements were concurrently amended. The amendments provide more accurate mapping of flood hazard areas (including Flood Awareness Protection Areas) as well as liquefaction and landslide hazards. The amendments also added programs and policies related to development of a local hazard mitigation plan and to avoid establishment of residential and public facilities in flood hazard areas.

The City Council of the City of Hollister is getting ready to update the existing 2005 – 2023 General Plan. At its regular meeting of Monday February 3, 2020, the City Council of the City of Hollister adopted Resolution No. 2020-17, a resolution of the City Council of the City of Hollister awarding a contract to PlaceWorks, Inc. for the preparation of a General Plan Update and Environmental Review for the City of Hollister.

6. CITY COUNCIL PRIORITIES FOR LAND USE DECISIONS (E.G. PASSAGE OF MORATORIA OR EMERGENCY ORDINANCES).

On May 25, 2016 the City of Hollister received a letter from the Department of Housing and Community Development indicating that the department was pleased to find the adopted housing element 2015 – 2023 in full compliance with State housing element law.

The State of California adopted AB 1X26 and clean up legislation AB 1484 that abolished all RDA's on February 1, 2012. The city council approved Resolution No. 2012-06 in January of 2012, a resolution of the City of Hollister to express its intent to serve as the successor agency of the former RDA of the City of Hollister, pursuant to health and safety code section 34171(j) and section 34173, and to elect to retain the housing assets and functions previously performed by the RDA of the City of Hollister, pursuant to health and safety code section 34176. This Resolution establishes that the City of Hollister will serve as both the Successor Agency and the Successor Housing Agency to the former Hollister RDA.

7. GOALS, POLICIES, OBJECTIVES STANDARD OR OTHER PLANS PROPOSALS THAT NEED TO BE ADDED OR WERE DELETED, AMENDED OR ADJUSTED.

b. Efforts to promote infill development, reuse and redevelopment particularly in underserved areas

- i. Portions of downtown Hollister are within the Alquist-Priolo earth Fault Hazard Zone. Many lots are less than 50 feet wide and a surface fault investigation would need to extend 50 feet beyond both property lines in

many cases which can be constrained by buildings, streets and other infrastructure. The former Redevelopment Agency approved a contract with a geologic consulting firm to compile a map of all properties in the downtown area that have been evaluated for surface fault rupture pursuant to the Alquist Priolo Earthquake Fault Zoning Act. Several properties with buildings that were destroyed or demolished as a result of the 1989 Loma Prieta Earthquake were evaluated in the early 1990s but the contiguous property in the 'shadow' of the study was not cleared. One of the purposes of the study was to identify possible locations to clear adjacent properties in the shadow of an approved surface fault hazard investigation to stimulate infill development or re-development of properties. The properties included in the Designated Assessment Area Boundary have been cleared for new development, redevelopment or subdivision in conformance with the Alquist–Priolo Earthquake Fault Zoning Act (AP Act). The assessment concluded that there is no evidence of active faulting in the Assessment Area. The October 2, 2015 peer review letter prepared by Brian Paparello of Landset Engineering, Inc. concluded that the engineering geologic constraints were adequately characterized in the Assessment and that the potential for surface fault rupture is low. The Assessment and peer review letter have been filed with the State Geologist as required by the AP Act.
