A listening session will be held at the Hollister Community Center (300 West Street) from 6:00 to 8:00 p.m. on Thursday, March 12th, with the Hollister City Council and Hollister Planning Commission. The City Council, Planning Commission, and City staff will be present to hear from the public about their experiences with the City.

This listening session is the opportunity for the public to share their experiences, no City Council or Planning Commission action will be taken. Please help spread the word to neighbors, colleagues, and community groups who may be interested.

We look forward to seeing you there and hearing your ideas!
